**11. Budget Figures**

The Financial Statements of Jigawa State Local Governments have been prepared using the Accrual Basis in accordance with the requirements of International Public Sector Accounting Standards (IPSAS) and in accordance with the provision of 2025 Appropriation Laws of Jigawa State, the revised Financial Regulations, Finance (Control and Management) Act of 1958 as amended, and the 1999 Constitution of the Federal Republic of Nigeria as amended. The Accounting Framework of the Jigawa State Local Government Councils focusses on reporting the budgetary activities of the government for the financial year as laid down in the Appropriation Law.

**12. Revenue: Non-Exchange Transactions Fees, taxes and Fines.**

- a. Revenue from non-exchange transactions such as fees, taxes and fines should be recognized when the event (specify event) occurs and the asset recognition criteria are met.
- b. Other non-exchange revenues are recognized when it is probable that the future economic benefits or service potential associated with the asset will flow to the Entity and the fair value of the asset can be measured reliably.

**Statutory Allocation**

Statutory allocation is income received from the revenue allocation system wherein funds are allocated to each federating unit from the Federation Account based on certain pre-determined criteria. Statutory allocation is measured at fair value and recognized at point of receipt.

**13. Transfers from other government entities.**

Revenues from non-exchange transactions with other government entities are measured at

**CONSOLIDATED REPORT OF THE AUDITOR GENERAL ON THE ACCOUNT OF  
Jahun Local Government Councils for the Year Ended 31st December, 2025**

fair value and recognized on receipt of the asset (cash, goods, services and property) if it is free from conditions and it is probable that the economic benefits or service potential related to the asset will flow to the entity and can be measured reliably.

**Expenses:**

All expenses should be reported on an accrual basis, i.e. all expenses are to be recognized in the period they are incurred or when the related services are enjoyed, irrespective of when the payment is made.

**14. Employee Benefits/Pension obligations:**

Under the Defined Benefits Scheme:

- a. Provision should be made, where applicable, using an actuarial valuation for retirement gratuities. The actuarial valuation determines the extent of anticipated entitlements payable under employment contracts and brings to account a liability using the present value measurement basis, which discounts expected future cash outflows.

**15. Statement of Cash flow**

This statement shall be prepared using the direct method in accordance with the format provided in the GPFS.

The Cash flow statement shall consist of three (3) sections:

- a. Operating activities – These include cash received from all income sources of the Government and record the cash payments made for the supply of goods and services.
- b. Investing activities - These are the activities relating to the acquisition and disposal of Non-Current Assets.
- c. Financing activities - These comprise the change in Equity and Debt capital structure of the PSE.

**16. Cash & Cash Equivalent**

- a. Cash and Cash Equivalent means cash balances on hand, held in bank accounts, demand deposits and other highly liquid investments with an original maturity of 3 months or less in which the Entity invests as part of its day-to-day cash management and which are readily convertible to known amounts of cash and are subject to insignificant risk of changes in value.
- b. Cash & Cash Equivalent is reported under Current Assets in the Statement of Financial Position

**17. Accounts Receivable:**

- a. Receivables from Exchange Transactions
  - i. Receivables from exchange transactions are recognized initially at fair value and subsequently measured at amortized cost using the effective interest method, less provision for impairment.
  - ii. A provision for impairment of receivables is established when there is objective evidence that the Entity will not be able to collect all amounts due according to the original terms of the receivables.

**18. Prepayments**

- a. Prepaid expenses are amounts paid in advance of receipt of goods or services.
- b. They can represent payments made early in the year for benefits to be received over the latter part of the year, or payments made in one year for benefits to be received in subsequent years.
- c. Prepayments for which the benefits are to be derived in the following 12 months should be

**CONSOLIDATED REPORT OF THE AUDITOR GENERAL ON THE ACCOUNT OF  
Jahun Local Government Councils for the Year Ended 31st December, 2025**

classified as Current Assets. Where the benefits are expected to accrue beyond the next 12 months, it should be accounted for as a Long-Term Prepayment and classified as Non-Current Assets.

**19. Property, Plant & Equipment (PPE)**

- a. All PPE are stated at historical cost less accumulated depreciation and any impairment losses. Historical cost includes expenditure that is directly attributable to the acquisition of the assets.
- b. Where an asset is acquired in a non-exchange transaction for nil or nominal consideration the asset is initially recognized at fair value, where fair value can be reliably determined, and as income systematically over the useful life of the PPE in the Statement of Financial Performance.
- c. The following shall constitute expenditure on PPE:
  - i. Amounts incurred on the purchase of such assets plus other relevant cost incidental to bringing the asset to working condition. Consumables are to be wholly expensed irrespective of their amounts.
  - ii. Construction Cost- including materials, labour and overheads.
  - iii. Improvements to existing PPE, which significantly enhance their useful life.

**Cost:**

The cost of an item of PPE shall comprise: its purchase price, including import and non-recurring costs and any directly attributable costs of bringing the asset to its location and working condition for its intended use. Any trade discounts and rebates are deducted in arriving at the purchase price.

- a. PPE shall be stated at cost or at their professional valuation less accumulated depreciation and impairment.
- b. The amount recorded for a PPE shall include all costs directly related to its acquisition including expenditures incurred to place the asset in usable condition for the service. Accordingly, the cost of the assets shall include acquisition or construction costs, custom duties, transportation charges, professional fees and installation costs. Cash discounts shall be netted against the cost of the assets.
- c. Depreciation on assets is charged on a straight-line basis over the useful life of the asset. Depreciation is charged at rates calculated to allocate the cost or valuation of the asset less any estimated residual value over its remaining useful life:

Jigawa State Local Government's Class of PPE and the relevant useful lives and depreciation rates are:

|                      |   |                 |
|----------------------|---|-----------------|
| Buildings            | = | 2% = 50years    |
| Land                 | = | 2% = 50 years   |
| Plant & Machinery    | = | 6.67% = 15years |
| Furniture & Fittings | = | 10% = 10 years  |
| Motor Vehicles       | = | 20 = 5 years    |
| Office Equipment     | = | 20% = 5 years   |

**CONSOLIDATED REPORT OF THE AUDITOR GENERAL ON THE ACCOUNT OF  
Jahun Local Government Councils for the Year Ended 31st December, 2025**

The assets' residual values and useful lives are reviewed, and adjusted prospectively, if appropriate, at the end of each reporting period.

**20. Deposits**

- a. Deposits consist of resource held in custody on behalf of third parties.
- b. Deposits can also represent payments received in advance for goods/services to be offered later.
- c. Deposits, for which the services are to be offered within 12 months from the end of the reporting period, shall be classified as Current Liabilities. Where the services are expected to span beyond the next 12 months after the end of reporting period, it shall be accounted for as a Non-Current Deposits and classified as Non-Current Liabilities.

**21. Reserves**

Reserves are classified under equity in the Statement of Financial Position and include: Surpluses/ (Deficit) Reserve, Translation Reserve, Revaluation Reserve, Fair Value Reserve and other Reserves.

**22. Transfers to other government entities**

Transfers to other government entities are non-exchange items and are recognized as expenses in the Statement of Financial Performance.
